

Hollywood Lessons

From John Wayne to Captain Kirk, Hollywood has a host of lessons that can be applied to aviation. Whether it's about professionalism and integrity, we have to know our limitations. We're sometimes challenged with a no-win scenario, but failure is not an option and working the problem is mandatory.

Jeff Wofford is our speaker tonight, and comes to us from CommScope, where he is the Director of Aviation and the Chairman of the NBAA Safety Committee.

Directions: Seminar will be in the main Meeting Room/Ballroom
